

Lesson 1

(5 min)

- Introduction to myself — who I am, where I'm from, what I've done so far
- Why I am teaching this course?
- Questions?

(10-15 min)

Introduction to Course —

- Course Expectations
- Structure of the course: September Syllabus
 - I have a structured plan for the remaining months, but I want to leave room for changes as well, so I will share one month at a time
- Canvas Site (or other LMS)
 - Assignments
 - Make sure notification settings are turned on for LMS
- Questions?

(10 min)

- Show Google map graphic with pinned locations of all students in class
- **Task:** You have 5-7 min to go outside your building, take a video camera (your phone) and make a 2 min video of your school; show us something about it
- Post to YouTube (private / public)— share a link through LMS
- Watch student videos (if time)
