Lesson 4

(10 min max)
Students take Java Quiz II

(5 min)
Logistics
- Assignments Check in
    - How long are they taking you?
- Configuring Multiple Profiles on Alexa -- we didn't get to this last time, but should be done if you are sharing an Echo device (will send link; please do this before / after class)
- Remember to turn off voice purchases on your account
- Join Remind Thread — link in email

(5 min)
Cool Alexa Skill demo: 1-2 student volunteers
Talk about it with respect to 7 UX factors

(30 min)
Pick a Skill from Trello class board
Create 2-3 Blue Sky Dialogs
Create a flow diagram on draw.io (use blank diagram & link to Trello)

(10-15 min)
Present Blue Sky & Flow Diagrams

Wrap Up —
- Think about what aspects of VUI you would like to hear more about
- I'm in the process of reaching out to guest speakers — if you have a request, I'm all ears
